Subject: Zoning Case #Z2008193

Mr Shackelford and Mr Diaz,

I am the property owner of 11203 Dreamland Dr. I understand that the property owner of 11303 and 11327 Dreamland Dr, San Antonio has requested a zoning change from R-20 to R-6 which would allow residential development up to 7 lots per acre. These properties are one lot to the east of my property.

The purpose of this email is to say that I am not in favor of rezoning these properties on Dreamland Dr as described or in any other way that would allow more than 2 lots per acre. I object to this change in the strongest terms. I believe this change would have a detrimental effect my property value as well as the quality of life I and my neighbors enjoy on Dreamland Dr. In fact, I would be happier if the property was only allowed one lot per acre.

I want to ensure that I am notified officially of the status of this rezoning request and that I also be notified of any hearings on this request before the Zoning Commission and/or the City Council.

Pls ensure Ms Cibrian and the members of the Zoning Commission are made aware of my strong objection to this request for rezoning.
