RE: Zoning Case Number Z2008193

Dear Mr. Sanchez —

I live at 11214 Dreamland lot number 8. I am opposed to the request for zoning change.

I bought my home in 1998, knowing at the time it was zoned single family residential. If this changes the value of my home will be affected in a negative form.

Mr. Ted Lee who purchased 11303 Dreamland and 11327 Dreamland is now requesting a zoning change to multi family dwelling. I don't approve.

Respectfully

Jason M. Lee
