Dear Mr. Sanchez:

Re: Zoning Case Number Z2008193

My husband and I live at 2611 Whisper Hill. Our cul-de-sac gets rapid and heavy runoff from the property at 11303 and 11327 Dreamland. This property is now undeveloped with the exception of one house.

If this property is rezoned and up to seven houses built in the area, the impervious ground cover would most likely cause major flooding on a number of properties and great financial loss to the residents.

Whispering Oaks is a lovely, quiet neighborhood, and we would appreciate keeping it that way without flooding problems. We are elderly and hope to spend the rest of our lives in our present home.

Thank you for any help with this situation.

Sincerely,

  
Betty S. Rische
